

# Everyday Suds

## HUSKY® 435

Highly concentrated, high-foaming manual dishwashing liquid detergent. Effectively cuts through greases, oils, baked-on foods and food stains from dishes, pots and pans. Rinses freely leaving no streaks or film.

## Directions

- Whenever possible, pre-rinse or pre-soak articles in warm water before washing in detergent.
- Normal Cleaning Conditions: Use ½ oz. to 1 oz. per gallon of hot water.
- Extremely Greasy Conditions: Use 1 ½ oz. to 4 oz. per gallon of hot water.
- Rinse dishes thoroughly with hot water, then sanitize with an appropriate no-rinse sanitizer.

**Economical Solution For Budget  
Conscience Operations**
